## How to Determine Your Rates

Our competitive rates are based on the total weight of all packages shipped on a single air waybill.

To determine the door-to-door rate for your intra-Canada shipment, follow these simple steps:

**Step 1:** Locate your origin zone and destination zone using the Postal Code Zone Index on the next page.

**Step 2:** On the Intra-Canada Zone Index, find the origin zone on the vertical listing, then find the destination zone on the horizontal listing.

**Step 3:** The number listed in the intersection is your zone.

**Step 4:** Determine how much your shipment weighs and find the rate in the appropriate zone on the corresponding Rate Chart.

**Step 5:** Add special handling fees and other additional charges, if they apply. See page 62 for a list of these fees and charges.

\*Some restrictions apply. See the Terms and Conditions section of the FedEx Service Guide at [fedex.ca](http://fedex.ca) for details.

## Additional Information

**Declared Value**  
For an intra-Canada shipment tendered in the FedEx® Envelope or FedEx® Pak, the declared value for carriage cannot exceed \$100. For an international shipment tendered in the FedEx Envelope or FedEx Pak, the declared value for carriage cannot exceed \$100 or the Convention liability limit, whichever is greater. Shipments containing items of extraordinary value are limited to a maximum declared value for carriage of \$500, or the Convention liability limit, whichever is applicable. For all other intra-Canada shipments the maximum declared

value for carriage is limited to \$50,000, except for shipments sent via FedEx 1Day® Freight in which case the maximum declared value for carriage is limited to \$100,000. When shipping outside of Canada, the maximum declared value for carriage varies by country and may depend on the contents of the shipment. In the absence of any destination country's specific provisions or laws, the maximum declared value for customs and carriage for shipments sent via FedEx® International Priority Freight is \$100,000 and for all other international shipments is \$50,000. For details, consult the FedEx Express® Terms and Conditions section of the FedEx Service Guide at [fedex.ca](http://fedex.ca) or call 1.800.GoFedEx 1.800.463.3339.

**Intra-Canada and International Shipments:**  
An additional charge of \$3.50 will be assessed for each \$100 (or fraction thereof) for intra-Canada shipments and \$3.50 will be assessed for each \$100 (or fraction thereof) on international shipments by which the declared value for carriage exceeds \$100 or the Convention liability limit, whichever is applicable.

### **Dimensional Weight**

FedEx® may assess additional charges based on dimensional weight. Dimensional weight is calculated by multiplying the length x width x height of each package in inches and dividing by 166 (if multiplied in centimetres divide by 6,000). If the dimensional weight exceeds the actual weight, FedEx will assess charges on the dimensional weight.\*\*

### **Goods and Services Tax (GST) Information**

The Goods and Services Tax (GST) is charged on all applicable net freight costs, special handling fees and surcharges for intra-Canada shipments only. Please note the Provincial Sales Tax (PST) and Quebec Sales Tax (QST) are additional and will appear on your invoice if they apply.

### **Harmonized Sales Tax (HST) Information**

If you ship to Nova Scotia, New Brunswick or Newfoundland, you are required to pay the Harmonized Sales Tax (HST) on the freight charges and any special handling fees or surcharges. The HST replaces the Goods and Services Tax (GST) and the Provincial Retail Sales Tax (PST).

### **Package Size and Weight**

FedEx accepts shipments up to 108 inches (274.32 cm) in overall length or 130 inches (330.2 cm) in length and girth combined. Packages exceeding these measurements are freight service shipments and require special arrangements. FedEx rates are calculated on a per-pound basis.\* Please call FedEx Customer Service at 1.800.GoFedEx 1.800.463.3339 for details. FedEx reserves the right to modify, amend or supplement our rates and to assess fuel and other surcharges on shipments without notice. The duration and amount of any surcharge will be determined at our sole discretion. By tendering your shipment to FedEx, you agree to pay the surcharges, as determined by FedEx.

All shipments are subject to the FedEx Express Terms and Conditions contained in the FedEx Service Guide which is available at [fedex.ca](http://fedex.ca) or by calling 1.800.GoFedEx 1.800.463.3339.

### **Please Note:**

All rates are in Canadian dollars unless otherwise noted and do not include taxes and applicable duties. Some special handling fees are for the total shipment and others are for each package. When the hundredweight per-pound shipping rate applies, the special handling fees are assessed only once for the total shipment. For more information on special handling fees, please see the FedEx Express Terms and Conditions section of the FedEx Service Guide at [fedex.ca](http://fedex.ca) or call FedEx Customer Service at 1.800.GoFedEx 1.800.463.3339.

\*The next higher rate will apply for any fraction of a pound. Package sizes and weight restrictions vary by destination country.

\*\*Applicable to shipments originating in Canada and the U.S. only. For shipments originating in other countries, call FedEx Customer Service at 1.800.GoFedEx 1.800.463.3339.
