

FedEx in the US

FedEx has unrivalled expertise in shipping to the US. Since 1993, FedEx has delivered over **31 million packages to Northern America, next day by 10.30am⁽¹⁾**. FedEx invented the overnight express transportation industry in the US in 1973 and has remained an innovative leader in shipping to and from the US ever since. Our considerable expertise is at your service.

An unrivalled network in the US

With our own dedicated transatlantic flight network, and a 'super hub' in Memphis, Tennessee, FedEx can offer you the fastest way to more of the US and Canada.

There are around 200 aircraft movements each night in and out of our Memphis hub. Around 15,000 FedEx employees work there, carefully sorting up to 500,000 packages an hour and 1,500,000 packages each night with the help of 300 miles of conveyor belt.

From Memphis, FedEx ensures the rapid distribution of your shipment for safe, next day delivery to more than 16,000 zip codes in the US. Coast-to-coast, from Los Angeles and Seattle to Washington DC or New York, you can rely on FedEx to deliver your shipment next day by 10.30am.⁽¹⁾
