

# FedEx in Asia

**FedEx has been growing its AsiaOne™ network for over 20 years.** This superb network allows us to offer you a faster service to more of Asia, with a range of direct, express distribution services. **Take advantage of two day delivery to key destinations across Asia<sup>(1)</sup>.** No-one knows the vast region of Asia better than FedEx. We can give your business a real advantage in this increasingly important region.

## A powerful network: AsiaOne™

FedEx has recently introduced a non-stop Eastbound Round-the-World flight, we now have 11 direct flights per week from Europe to Asia. These connect with more than **400 intra-Asian** flights to ensure complete coverage of the region, including leading business centres such as Seoul, Tokyo, Osaka, Taipei, Hong Kong and Bangkok.

FedEx operates **26 flights in and out of China, more than any other US cargo carrier.** We currently serve more than 200 cities in China, and plan to serve another 100 cities in the next few years.

FedEx is also the leading express transportation company in India, with **direct services to 27 cities and 24 international flights to and from India every week.**

The speed and the reliability of the FedEx AsiaOne™ network is at your service.

## Service features

### Full track, trace and proof of delivery

To track where your shipment is at any time, simply go to our website [fedex.com/gb](http://fedex.com/gb). You can find **the location** of your shipment or **get proof of delivery information**, including the time it was delivered and the name of the recipient.

### Simple booking process

Book your pick-up online or call Customer Service.

### Money-back guarantee<sup>(2)</sup>

On-time express delivery of your shipment, or your money back. The FedEx money-back guarantee demonstrates our confidence that we will meet our delivery commitment.

## The fastest way to Asia

### Shipping requirements

#### For FedEx International Priority®

Shipments can be up to 274cm in length or 330cm in length and girth combined. Girth = 2 x height + 2 x width.

#### For FedEx International Priority® Freight

Shipments may be up to 302cm in length or 762cm in length and girth combined. Girth = 2 x height + 2 x width.

### Customs

FedEx no longer applies a limit on customs value for regular international shipments. A limit may still apply depending on destination and commodity shipped. Please call Customer Service for information or visit our website [fedex.com/gb](http://fedex.com/gb).

### Unrivalled services

#### For all your shipments up to 68kg: FedEx International Priority®

Choose FedEx International Priority®, our express, time-definite, customs cleared, door-to-door service with a **two day delivery to key destinations across Asia<sup>(1)</sup>**. With pick-up times late in the day, FedEx gives you more time to take advantage of business opportunities.

#### For heavy and bulky shipments: FedEx International Priority® Freight

For all your shipments between 68kg and 1,000kg per item, choose FedEx International Priority® Freight. It is a tailored service to meet your individual needs. For your convenience, pick-up and delivery can be arranged **door-to-door, door-to-airport, airport-to-airport or airport-to-door**.

FedEx offers a highly competitive, specialised express service for **Dangerous Goods**. Please contact us for further details.

FedEx **Supply Chain services** offer **experience** and **expertise** to help you with your specific supply chain logistics, to reduce inventory costs, improve margins and increase business competitiveness.

### Shipping with FedEx – it's easy

For help with **customs** and **shipping documentation** to and from Asia, use **FedEx® Global Trade Manager**. You can download and print all the documentation you need to ship your shipments, and even estimate your Duties and Taxes online.

- (1) Transit times and delivery commitments may vary depending on origin and destination. Please contact Customer Service for further details.  
(2) FedEx money-back guarantee: full details are available in our Conditions of Carriage.
