

FedEx Ship Manager® at fedex.com

Our commitment to our customers means providing you with innovative and effective tools to help you manage your business. Whether you work in a large corporation or a small business, FedEx Ship Manager® accessible at fedex.com/gb enables you to manage your entire shipping process on line. FedEx Ship Manager® at fedex.com will help save you time and ease the shipping process. To start shipping right away to over 220 countries worldwide all you need is internet access, a printer and a FedEx Account. This application is free of charge.

How does it save you time?

FedEx Ship Manager® at fedex.com has been enhanced to help you navigate seamlessly between shipping modules. You can now prepare shipping documents, request a rate quote, check for transit times and schedule a pick-up from the same screen.

Prepare documentation:

- Prepare international Air Waybills and commercial invoices: 1 screen per document (no scroll).
- Print onto plain A4 paper no need to search for international Air Waybills.
- Ship up to 25 pieces on the same international Air Waybill.
- Automatic verification ensures all elements of address are correct (US addresses only).
- Available 24 hours a day, 7 days a week, you can also complete your paperwork up to 8 days in advance.

Store, keep, re-use or edit all information:

- Store up to 2,000 addresses or import from an external file.
- Store up to 500 sender profiles.
- Repeat last shipment without the need to retype any information (the data can, however, be modified).
- All shipping data can be stored in your "Shipment Profiles" for future use.
- Reprint shipping labels and commercial invoices for shipments created during that day.
- Create shipment reports to suit your own requirements.
