Check appropriate:

Corporate Developer

An employee of the company for which
you are developing this application.

Consultant Developer

You have been hired by another
company to develop this application.

My FedEx Web Services for Office and Print implementation has been formally certified for production deployment and I have received associated production credentials. At this time, I request that these production credentials be enabled for use with FedEx Web Services for Office and Print.

I AGREE

I DISAGREE

Email the completed request to OfficeWebServices@fedex.com.

PLEASE NOTE

This form is not intended for use with FedEx Web Services for Shipping.

If your only integration need involves a Shipping related service, which includes Rating for Shipping, Tracking, Shipping Labels, Locator, etc., please visit the FedEx Web Services section of the FedEx Developer Resource Center.
