Whether you need a small yard sign or an oversized banner display, look to Signs and Graphics by FedEx Office to provide a solution for your needs. Our line of display products is so versatile, you can use the same display multiple times with different graphic options. Imprinted graphics are available for all displays for an additional charge. Your FedEx Office signs and graphics sales representative will be able to provide you a customized quote today!
**A. EXHIBITOR ADJUSTABLE DISPLAY**
The only banner display available that is fully adjustable both horizontally and vertically. Available in two sizes to meet every need. The 10’ version is large enough for a full-size backdrop or trade show display. When your display needs change, simply adjust the Exhibitor to be used as a tabletop display for announcements and promotions. Come back to FedEx Office and we’ll print you a new banner.

**B. MINI BANNER DISPLAY**
A great portable display for countertop messages. It simply and easily folds down to fit into a pocket or bag for easy transport. The perfect tabletop display for announcements and promotions.

**C. EXHIBITOR CARRYING CASE**
Protects and secures graphics up to 30” wide in this sturdy carrying case. It’s made from luggage-quality PVC-lined polyester with heavy-duty handle.

**A. EVERYDAY BANNER DISPLAY**
Excellent stability with easy adjustment and two-sided display capability make this banner display perfect for everyday use. It is vertically adjustable, so you have the ability to create a totally different display just by changing banner sizes. Display also accommodates rigid graphics. Wooden dowels sold separately.

**B. EVERYDAY BANNER DISPLAY FOLDING BASE**
Add a Folding Base to your Everyday Banner Display to make it portable. The three-spoked base is just as sturdy as the standard square base but folds up for transport. Change bases easily with an Allen wrench.

**C. EVERYDAY BANNER DISPLAY CARRYING CASE**
A carrying case designed to store and carry the Everyday Banner Display and folding base between uses. Made from luggage-quality PVC-lined polyester, it features inner pockets and heavy-duty shoulder straps.

**D. TRIPOD BANNER DISPLAYS**
Set up a banner display in less than a minute with any of the Tripod Banner Displays. A sturdy display with a professional appearance while weighing less than 5 lbs. Available in five sizes.

A. ECONOMY RETRACTOR
Pull a banner right out of the Economy Retractor when you are ready to display and roll it back into the base for easy transport. Weighing only 6 lbs., it’s not only lightweight but easy to use, tote and store.

B. STANDARD RETRACTOR
A flat, heavy duty base makes this retractor perfect to display a banner over an extended period of time. A clean, floor to ceiling look allows the banner to take center stage.

C. DELUXE RETRACTOR
The fold out bottom bar for extra support ensures this retractor won’t tip in high traffic areas. This high quality retractor is built for frequent use with a smooth pull out and retraction of graphics.

D. UNIVERSAL DISPLAY LIGHT
Attract attention and shed some light on your banner display. Adjustable bracket clamps onto banner displays with a crossbar up to 1-3/4" thick. This low-voltage quartz halogen fixture has an attractive black finish and weighs less than 2 lbs.

---

**EXTERIOR SIGN DISPLAYS**

- **A. EASY SLIDE IRON FRAME**
  - No hardware required and no pieces to lose.
  - Simply slide in a rigid substrate up to 6 mm thick and it stays put. Angled feet sink easily into the ground.

- **B. SUPER STRONG A-FRAME**
  - The strongest A-frame available is made of a 1/2” black powder-coated angle iron. The round carrying handle makes it easy to move from place to place.

- **C. Simply Sign II A-FRAME**
  - Securely hold two 1-sided rigid 1/4” thick signs by simply sliding them into place. No adhesives required. The molded handle allows you to carry the Simply Sign II from place to place with ease.

---
