Unlock new growth in Europe with FedEx

In today's transforming global landscape, relying on a single region can put your business at risk. Expanding into Europe helps you diversify your customer base, reduce operational risk, and strengthen global resilience.

Why expand into Europe?

745M
population in a mature, high-value market[1]

16%
share of global trade flows[2]

€1.6T
quarterly consumer spending power[3]

€2.3T
quarterly disposable personal income across the region[3]

Disclaimer: These figures are for informational use only and may be subject to change.
