2. Is the quoted price a final or fixed amount?

Answer: The quoted price is not final. Additional charges, such as the ones set out below, may apply for the actual shipment:

- **Non-Stackable Surcharge:** This charge is applicable to any freight handling unit which our operations team decides cannot be stacked vertically in a safe and secure manner.
- **Additional Handling Fee-Packaging:** We reserve the right to assess additional handling charges for packages that require special handling or that require FedEx to apply additional packaging during transit. For more details, please visit surcharge and other information at [fedex.com](https://www.fedex.com).

3. Can my shipment be rebilled after it is delivered/invoiced?

Answer: Unfortunately, rebilling is not available for last-minute rate shipment.
