FedEx® Rate and Transit Time

Discover your shipping options at your fingertips

Thank you for choosing FedEx Express. We have created an improved digital solution to give you greater access to services and more visibility on shipping costs.
FedEx® Rate & Transit Time is a tool to obtain rate quote options for comparison and determine the expected delivery date and time for your shipment.

BENEFITS

Easy to Use
Not sure about the address and post code?
Google predictive address is enabled now!

Mobile Friendly
You can easily check price and transit time with your mobile device whenever you want.

View your Account Rate
You can check the best account rate easily after logged in fedex.com.
Explore your account-specific discount.

Surcharge Transparency
You can check the surcharge breakdown and details - peak surcharge, oil surcharge, OPA (outside pick up area) and ODA (outside delivery area) surcharge are all clearly visible.
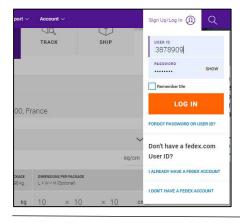

Non-Service Area Alert
You can easily verify whether your address is within the non-service area (OPA or ODA).

- Register for a FedEx account and fedex.com User ID or log in with your existing ID to get the account-specific discount rate

- Choose Rate & Transit Time
- Input your package Location, Destination
- Input your Package Size
- Input your Ship Date

- Personal Discount Rates, Delivery Date and Time Options will be shown on the screen
