

Service updates due to COVID-19 outbreak | Posted on September 17, 2021

Updates are highlighted.

At FedEx and TNT, we are always evaluating how to optimize our operations to meet our customers' expectations. COVID-19 has disrupted supply chains globally, and air cargo capacity is extremely constrained. To continue providing the best possible service for our customers, we are making several adjustments to our services and transit times globally.

Please note that the information is subject to change without prior notice due to the dynamic nature of the COVID-19 situation.

Temporary suspension of FedEx Express Money-Back Guarantee

The impact of COVID-19 is causing local, state, and national governments around the world to issue work and travel restrictions on a daily basis, which are impacting our ability to meet our high standards of service.

As a result, Money-back guarantee (MBG) has been temporary suspended for all FedEx Express service till further notice.

Temporary signature suspension for delivery

For the safety and well-being of our couriers and customers, FedEx and TNT signature guidelines are temporarily adjusted for all shipments within APAC with some exceptions. In efforts to minimize physical interactions, our couriers will now only seek verbal confirmation of delivery for most shipments. This means that your recipients will not be asked to sign for most deliveries, until further notice.

Submission of export declaration documents for Personal Protective Equipment (PPE) shipments outbound from China

When planning your PPE export shipments from China, please note that shippers have to provide all required export declaration documents to complete clearance process within 5 working days from the date of pick-up.

If shippers fail to provide all required export declaration documents within the 5 working days period, FedEx and TNT China will return the PPE export shipments to the shippers.

Personal shipments do not have the above restrictions at this moment.

Temporary service suspension and restrictions

Note: Selected FedEx and TNT Economy services from APAC remain temporarily suspended, kindly refer to the service impact table below for more details.
