New U.S. CPSC eFiling requirement

Applies to:

- Shipments destined for the United States
- Consumer products subject to U.S. Consumer Product Safety Commission (CPSC) regulations

Common examples include toys, children's products, electronics, household items, and other consumer goods.

⚠️ Missing or incomplete information may result in customs delays.

Impact on your shipment

Some shipments may require additional product information before they can clear customs in the United States.

Depending on the product, you may need to:

- Confirm whether it is registered with the CPSC Product Registry
- Provide identification details (such as SKN, model number, or UPC)
- Upload a completed CPSC compliance document

Products registered with the CPSC Product Registry may require fewer compliance details.
