

FedEx Invoice Format – Key Changes

Background

We are introducing **Customer Account Level Charges**, which are fees directly applied to a customer's account.

These charges may or may not be explicitly linked to specific transportation activities or Air Waybills (AWBs). They are classified under the broader category of **Non-Transportation Charges (Express Related Charges)**, which includes both **Retail Charges** (e.g., pickup fees) and other **Customer-Level Charges** (e.g., overage or deficit fees).

1. Express Charges

- A new subtitle will be introduced to clearly distinguish the current transportation charges section on the invoice.

2. Express Related Charges (This is a new section)

- This section will clearly present **non-transportation charges** as a separate line item on the invoice
- Each fee will be **individually itemized and totaled**, displaying both the **charge name** and the **corresponding amount** for full transparency.

Future Invoice:

[illegible][illegible]

- Each non-transportation charge will be listed with specific details, which may vary depending on the charge type. (See the mockup above for a sample layout of overseas pickup charges).
