

Instructions for
Toxic Substances Control Act (TSCA) Certification

Each one of the TSCA Certifications attached has a specific intended purpose:

- 1) The version with the Waybill or reference number section is to be used for single shipment certifications
 - Please enter the shipment international air waybill number (IAWB) of the shipment in this area
 - Note that completing the Company name, Company address, and Certifier title fields are OPTIONAL

- 2) The version with the “valid for twelve months’ language is to be used for filing multiple commodity TSCA articles with FedEx Trade Networks (FTN)
 - Check either positive or negative certification for the TSCA articles being submitted
 - All three columns do NOT have to be completed; just the ones you use for your specific TSCA article(s)
 - Note that completing the Company name, Company address, and Certifier title information blocks below the three columns are OPTIONAL
