

UEFA Champions League – FedEx UCL Referee Mascot Contest – Terms & Conditions

The below comprises the Terms & Conditions for the UEFA Champions League (UCL) “**FedEx UCL Referee Mascot Contest**”, hereafter referred to as ‘the contest’.

Purpose of the contest:

1. The purpose of the contest is to engage FedEx and TNT employees with the FedEx UEFA Champions League sponsorship by inviting Europe based employees (“the Participant(s)”) to win the opportunity for their child, or a child related to them (further conditions are set out below), to participate as an official UCL Referee Mascot, that forms part of the pre-match ceremony during UCL matches.
2. UCL Referee Mascots are children who lead the teams with the referees onto football pitch during the pre-match referee and player introduction. FedEx will select the UCL matches where it will provide UCL Referee Mascots throughout the tournament.
3. **Please note:** this opportunity may be impacted by health and safety conditions (including, but not limited to, the COVID-19 pandemic), that may prevent or limit, the possibility that UCL Referee Mascots can perform this role. Further details on this are set out below.
4. Referee Mascots only: At least one or three (not two) UCL Referee Mascots will be selected for UCL matches where FedEx will provide UCL Referee Mascots.
Alternative Mascots only: Three Alternative Mascots will be selected for UCL matches where FedEx will provide Alternative Mascots.

Potential impact of health and safety requirements (such as the COVID-19 pandemic) that may affect the prize

5. The health and safety of FedEx team members and their families is a priority for FedEx. Restrictions imposed in response to the Covid-19 pandemic at the time of the launch of this contest (November 2021) prevent any activation of an in-person UCL Referee Mascot experience as set out above until further notice.
6. FedEx will only offer the UCL Referee Mascot experience where applicable country public health guidance and FedEx/UEFA requirements in regard to spectator/participant attendance have been met.
7. If the conditions set out above prevent the activation of a UCL Referee Mascot experience, and while spectators are allowed to attend football matches in person, subject to further health and safety considerations, **FedEx may offer an alternative UCL Referee Mascot experience** (hereafter referred to as Alternative Mascot Experience). This experience will include match tickets for the child, the winner and a guest, and the opportunity for the child to be taken by a UEFA chaperone onto the pitch, in a UCL Referee Mascot kit provided by FedEx, for a short period of time (1-2mins) after the players have finished their pre-match warm-up and before the opening ceremony when the match starts to enjoy the pre-match stadium atmosphere from a unique pitch perspective. Further details of this experience will be provided to the winner ahead of the match as part of the winner registration process.
8. Once FedEx and UEFA/the clubs are satisfied that any health risks have been diminished sufficiently, or can be managed sufficiently, and subject to local health authority guidance,

UEFA Champions League – FedEx UCL Referee Mascot Contest – Terms & Conditions

FedEx will resume in-person activations of the UCL Referee Mascot experience, including the ceremonial role of accompanying the Referees onto the pitch as part of the opening ceremony.

9. In the case of a UCL Referee Mascot activation, the applicable health guidance and requirements will be continually monitored and could result in the postponement or cancellation of the UCL Referee Mascot experience - potentially at very short-notice. FedEx will hold no liability and any expenses incurred by the winner, such as travel tickets, will not be reimbursed by FedEx.
10. In the event of a UCL Referee Mascot experience cancellation, the winner will be notified as soon as possible. If available, and subject to ongoing health conditions, any confirmed winners may be offered an Alternative Mascot Experience (as set out above) for the same match. If the Alternative Mascot Experience is not an option, then the winner will be offered an experience in their country at the next available opportunity during the same season. This may be an Alternative Mascot Experience and not necessarily a UCL Referee Mascot experience. If there are no further available matches in the country of employment, then the prize will be cancelled.
11. As the UCL tournament involves a knockout element, there may not be enough places available to offer a Mascot opportunity for every winner whose activation was cancelled during a previous round. In this event, a random draw of the impacted winners will be conducted to select which winners will be offered a UCL Referee Mascot or Alternative Mascot Experience opportunity (as applicable) in the remaining matches.
12. Participants are expected to adhere to all the necessary health requirements required by FedEx, UEFA, the Club, and the local authority. Failure to do so will mean the Participant, their child (the Mascot) or their guest will lose their respective tickets, including the Mascot experience for the child, and will not be able to attend the match at no liability to FedEx.

Contest Mechanism

13. To enter the contest, each Participant may select one or more teams (as applicable) from their country of employment (or UK if based in Ireland). As the selected team progresses, then each Participant will be eligible for the draw for the matches that team plays at their home stadium (excluding the Final). **FedEx will select the matches it will provide UCL Referee Mascots and Alternative Mascot Experiences throughout the tournament.** If the Participant's selected team is eliminated, then the Participant's entry for that team is void for that season.
14. The contest launches from 8/11/2021 and will be announced via internal message/email. Entry deadlines draws and winner notifications will take place on different dates for the different matches depending on the schedule of the UCL. Submissions for each Match Day must be made by the relevant Entry Deadline stipulated on the entry platform. Winners will be contacted shortly after each draw deadline by email.

The UCL Referee Mascot and Alternative Mascot Experience can only be won once over the current UCL sponsorship cycle (September 2021 – May 2024) except if all other entrants in the same country have also won (or have been disqualified) a Referee Mascot and Alternative Mascot Experience. In this case all previous winners will be automatically re-entered into the Referee Mascot draw or Alternative Mascot Experience draw as applicable.
