Fuel Surcharge

The surcharge percentage is adjusted every Monday, based on the US Gulf Coast Jet Fuel Index, and this percentage is applied to the total transportation charge (go to https://www.fedex.com/en-vn/shipping/surcharges.html for the prevailing fuel surcharge rate).

During times of elevated shipping volumes, heightened demand for capacity, increased operating costs, and other strains on our network, FedEx may assess a Demand Surcharge.

If we cannot determine the correct address or cannot reach the broker, we may attempt to contact the sender for address clarification or instructions to return the shipment. If we are unable to complete delivery under these circumstances, we will not be liable for failing to meet our delivery commitment.

Third Party Billing Surcharge:

2.5% of total shipment charges

Third Party Billing Surcharge will apply to shipments that are billed to a third party. The surcharge will be charged to the third-party payer.

Declared Value Charge for Carriage:

Liability of Fedex for loss, damage or delay of your shipment is limited to the greater of about USD20.00 per kilogram or USD100.00 per shipment. The exact limitation may be expressed in Special Drawing Rights or local currency and the exact amount will vary depending upon the country/ territory of origin and currency.
If you desire that FedEx assumes liability for a greater percentage of the actual cargo value, then you must declare the value for carriage on your air waybill and pay a "declared value surcharge". The "declared value surcharge" for Export shipments in Vietnam is equal to VND 46,800 per VND 2,100,000 (or fraction thereof) by which the declared value for carriage exceeds the greater of: (i) VND 2,100,000 or (ii) VND 190,470 per pound. The following maximum declared value for carriage will apply. Please contact our Customer Service team for details.

Maximum Declared Value for Carriage (may vary by destination)

International Priority DirectDistribution/Economy DirectDistribution (IPD/IED):	USD 50,000.00 (or equivalent value in local currency)
Shipments containing items of extraordinary value such as artwork, antiques, glassware, jewelry, precious metals, furs, etc.:	USD 1,000.00 or USD 20.00 per kg, whichever is greater

Weight Information

Total shipment weight is unlimited. The maximum weight per package may be adjusted. Please contact our Customer Service team or Sales team for details.
Rates are calculated on the total weight of all packages on one international air waybill. Any fraction of a kilogram is rounded up to the next higher weight break. Such rounding may cause a variance in dimensional weight (volumetric weight) calculations. Please note that the rates stated on FedEx's invoice shall be the final and official rates.
Additional charges may be assessed for shipments below a certain weight density. The dimensional weight (volumetric weight) (in kg) of an IPD/IED shipment is calculated as follows. Please contact our Customer Service team for details.

$$\frac{\text{Length x Width x Height (centimetres or inches)}}{\text{5,000 for centimetres or 305 for inches}}$$

Shipments in FedEx packaging may be subjected to dimensional weight pricing.
