

Effective: July 5, 2021
FedEx Express LAC International

Fuel surcharge percentages and associated trigger points are subject to change without notice. If the U.S. Gulf Coast (USGC) fuel surcharge index value falls below \$1.35 or rises above \$2.03, the fuel surcharge index as outlined here will be extended.

FedEx Express LAC International Fuel Surcharge Table-Package Services Effective July 5, 2021 (prices per gallon of jet fuel)		
At Least	But Less Than	Surcharge
\$1.35	\$1.39	6.00%
