October 2021

Dear Valued FedEx® Customer:

In order to provide the best possible service and due to the current market conditions in Venezuela, it's necessary to review our rates periodically.

We will not be sending e-mail notifications of the upcoming increases, however we encourage you to regularly check our publications on fedex.com/ve where you will find the most recent rates and surcharges for Venezuela. The next rate-sheets will be effective October 1st, 2021.

We hope to continue serving you on your shipping needs and want to take this opportunity to thank you for your business and your trust. If you have any questions, please contact your Account Executive or call our FedEx Customer Service Center at 0.800.De.FedEx (0.800.33.33339).

Sincerely,
