

Demand surcharge adjustments for movements to / from Israel,
effective July 21, 2025

FedEx continues to make adjustments within our network to best deliver its services for our customers.

Effective July 21, 2025, the Demand Surcharge for FedEx shipments to and from Israel will be revised. The surcharge will be reduced for shipments to Israel, and discontinued for shipments originating from Israel.

Services for demand surcharge include:

1. Parcel: FedEx International First, FedEx International Priority Express, FedEx International Priority, FedEx International Economy & 10/25kg Box

Freight: FedEx International Priority Freight, FedEx International Economy Freight
2. Service availability differs across different markets
