Demand Surcharge (DS) revision on shipments from Vietnam, effective November 2, 2026

Due to changes in market conditions, the Demand Surcharge (DS) on shipments from Vietnam to India will be revised to INR 15/kg, effective November 2, 2026, until further notice. This applies to FedEx International Parcel & Freight services.

Demand Surcharge on all other lanes (listed below) remains unchanged until further notice. The tables below outline the applicable export and import DS charges.

1. **Services for Demand Surcharge include:**
   Parcel: FedEx International First, FedEx International Priority Express, FedEx International Priority, FedEx International Economy, 10/25kg Box, FedEx International Priority Direct Distribution (IPD) and FedEx International Connect Plus (FICP)
   Freight: FedEx International Priority Freight, FedEx International Economy Freight
2. Service availability differs across different markets
3. For third-party shipments, the Demand Surcharge will be assessed based on the origin country / territory unless the customer is registered for the global third-party service

Note: The Surcharge changes may impact other origin/destination countries within the same zone
