

A photograph of a warehouse interior. In the center, two men are standing and looking at a clipboard held by one of them. To their left is a tall stack of cardboard boxes. To their right is a pallet jack with more boxes on it. In the foreground on the right, there are large rolls of material, possibly insulation or fabric, wrapped in plastic. The background shows warehouse doors and structural elements.

An aerial photograph of a complex urban intersection. A curved, elevated roadway with multiple lanes runs through the center of the frame. The surrounding area includes several tall buildings, some with distinctive architectural features like yellow and black checkered facades. The ground level is filled with cars, motorcycles, and pedestrians. The overall scene depicts a busy, modern city environment.
