Section 1 - Visit local FedEx website

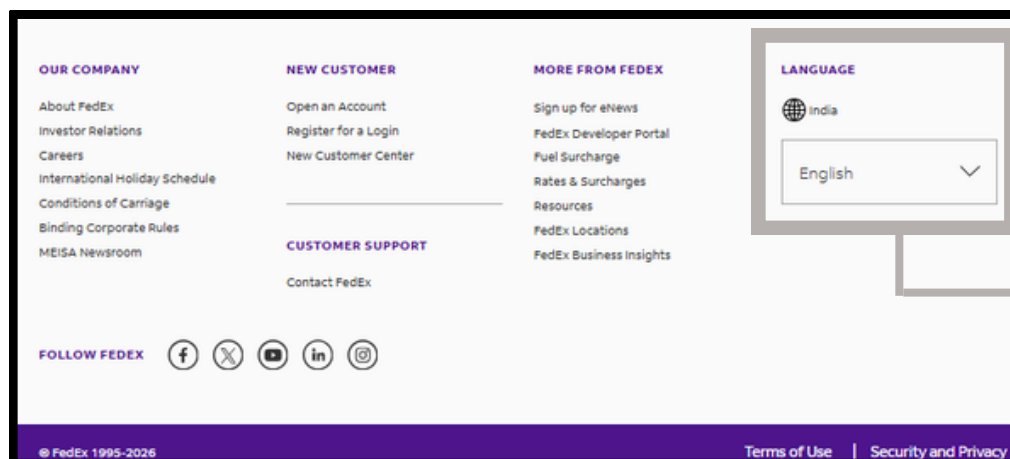

Point to note:

Visit fedex.com to get a Last-Minute Rate (LMR)

Point to note:

Click on 'Rates & Transit Times' or select 'Shipping' and then click on 'Get quote for heavy shipment'

Point to note:

To change regional settings, select location at the bottom of the page

Section 2 – Sign in with FedEx User ID

Step 1:

Sign in with valid and active FedEx user ID on the fedex.com

Point to note:

First time users will need to link their FedEx shipping account number to FedEx user ID

This will allow LMR to be displayed and FedEx AWB creation possible

Section 3 - Enter origin and destination

Step 2:

(Recommended) Type in relevant key words and select from the drop down menu

Follow the same steps for both Origin and Destination fields

Point to note:

(Alternate) Select country, city, and type in postal code

Follow the same steps for both Origin and Destination fields

Section 4 - Enter shipment details

The screenshot shows the FedEx shipping form interface. A blue box highlights the 'Tell us more about your shipment' section, which includes a 'Packaging*' dropdown menu, a checkbox for 'Purchase a higher limit of liability from FedEx', a 'Packages*' input field with the value '1', a 'Package weight*' input field with the value '40' and a unit dropdown set to 'kg', and a 'Dimensions L x W x H' input field with values '26 x 24 x 22' and a unit dropdown set to 'cm'. Below this section is an 'ADD ANOTHER PACKAGE' link. Another blue box highlights the 'When do you want to ship?' section, which includes a 'Ship date*' dropdown menu with the value 'Friday, 20 March, 2026'. A third blue box highlights the 'SHOW RATES' button at the bottom of the form.

Step 3:

Select 'Packaging' and enter package details (no. of packages, weight per package, dimensions per package)

Step 4:

Select 'Ship date'

Signed in users can select up to 10 ship dates

Step 5:

Click 'SHOW RATES' once all fields have been populated

Point to note:

- Select between 'Your packaging'
- Ensure the correct unit of measurement is selected
