Rate Information

The transportation rates for this express service for export are effective from January 4, 2021. The transportation rates and services offered by FedEx Express may be amended, modified or discontinued by FedEx Express at any time with or without notice. They may also vary depending upon the point of or time of collection or delivery, shipment size or weight or commodity type.

FedEx Express Conditions of Carriage

All shipments are subject to the FedEx Express Conditions of Carriage (“Conditions of Carriage”) published and maintained at the applicable fedex.com site. For shipments originating in India, you can find the relevant Conditions of Carriage here: [fedex.com/in/services/terms](https://www.fedex.com/in/services/terms). The useful information on your rates and shipments set out in this document is in part extracted from the Conditions of Carriage and provided for reference purposes only. In the event of any conflict, the online Conditions of Carriage prevail.

Duties, Taxes and Additional Charges

Duties and taxes may apply to certain shipments. Such duties and taxes will be billed to the recipient where allowed, unless otherwise requested by the shipper. In the event FedEx disburses duties, taxes or other fees to a customs agency to complete clearance of certain items through customs, the payer will be assessed an ancillary clearance service fee, which may vary depending on the destination country. For more information, see [fedex.com/in/ancillaryservices/](https://www.fedex.com/in/ancillaryservices/).

Additional charges may also apply to certain shipments, including duties and taxes, fuel and other surcharges, ancillary charges, declared value for carriage charges, return charges, special handling fees, and import and export charges. For more information see [fedex.com/en-in/about/resources.html](https://www.fedex.com/en-in/about/resources.html). All rates, surcharges and other applicable charges are exclusive of GST that may be applicable and which would be added to the charges at the rate in force at the time.
