

Solution Overview

SendPro® is an online mailing and shipping solution that simplifies the way your office sends anything by offering stamp and envelope printing and multicarrier shipping, all from one, easy-to-use online application. Best of all, SendPro saves you money by giving you access to mailing and shipping discounts. Now you can compare shipping options through multiple carriers, accurately weigh packages, track shipments and manage all you mailing and shipping expenses in one place.

Simplify all the stages of shipping regardless of carrier--compare shipping options, print professional looking labels, track shipments and manage expenses online. SendPro consolidates information for FedEx® and other major carriers to standardize and simplify shipping. By integrating cloud-based software with a professional-quality label printer and digital scale, it's easy to weigh your packages or envelopes. Now anyone in your office can have a full shipping center right at their fingertips.
