

ProShip earns Diamond Tier Status for the fifth year in a row and Solution of the Year in 2018

Each year, FedEx evaluates and ranks all FedEx® Compatible solutions on a number of metrics. Gold, Platinum or Diamond status is awarded to each of the top-25 FedEx Compatible solutions. Finally, one Solution is deemed Solution of the Year for going above and beyond in their partnership with FedEx.

FedEx congratulates ProShip for being named 2018 Solution of the Year, recognizing ProShip's global leadership in the omni-channel and e-commerce segments around the world, including healthcare, retail and manufacturing.

ProShip, Inc. is a global provider of logistics solutions, including enterprise-wide, multi-carrier shipping and manifesting software, as well as automated packing solutions and intelligent parcel lockers. Their reputation in the industry is built on decades of IT and supply chain expertise. ProShip is a fully integrated and scalable solution for global multi-carrier shipping and manifesting that can handle multiple origins, carriers, modes and service types.

ProShip earned its distinction by taking shipping automation to the next level. ProShip helps reduce costs, simplifies the shipping process and gives your business that competitive advantage in the shipping world. The software is fully scalable, with the ability to provide a shipping solution for a company with a single workstation or to automate an entire omni-channel distribution network.

Congratulations to ProShip and all our 2018 FedEx Compatible solutions!
