

# Solution Overview

With NeoShip ADVANCED online shipping, you can:

- **Save Time and Money with Rate Shopping:** NeoShip ADVANCED will compare shipping rates between carriers (USPS and FedEx). It identifies the lowest cost of getting your parcel to its final destination
- **Benefit from the Cost Savings Associated with Commercial Base Pricing Experience** significant discounts on Priority Mail® and Priority Mail Express™.
- **Apply Free Insurance on Priority Mail and Priority Mail Express Items**
- **Ensure “Ship To” Addresses are Up-to-Date with Free Address Correction**
- **Minimize Delivery Time With the fastest delivery feature:** NeoShip will analyze each carrier’s schedule and display the one that offers the quickest delivery time
- **Obtain an Online Consolidated View of All Shipments**
- **Streamline Shipping Workflow with Batch Processing**
- **Manage Roles and Privileges for up to 100 users**
