FedEx®

ShipRite™ Software is the leading developer of Point of Sale systems for the retail shipping industry. Our flagship product, ShipRite™ Global Connect, is used in retail shipping centers throughout the U.S. (including Hawaii and Alaska), Canada, Puerto Rico, Guam and the US Virgin Islands. ShipRite Global Connect™ is in use in many different types of retail shipping outlets.

Features include a complete Point of Sale system with the ability to create quotes, and email receipts; Built-in Payment Master that processes payment via, cash, check, credit card, payment on account, or credit card on file; Accounts Receivable management system; Inventory Manager; Multi-carrier shipping featuring FedEx, UPD, DHL, USPS and Speedy in the U.S.; UPS, FedEx, Canada Post, TNT and Purolator in Canada; Complete Package Valet feature to keep track of all packages coming in or out of the store including packages from FedEx HAL or UPS AP programs; Quickbooks integration for both the desktop and cloud versions of Quickbooks; and Packaging Estimator that allows the user to calculate what it will cost to pack a package based on its size, value and level of fragility.
