

Solution Overview

Softeon offers a comprehensive solution set with an advanced Warehouse Management System (WMS), integrated Parcel Manifesting System, and Warehouse Execution System (WES), helping users increase productivity, throughput, and customer satisfaction.

The WES can deliver value for distribution centers of all types: high levels of automation, mid-level or manual operations. It also provides direct management and optimization of voice, smart carts, put walls, pick-to-light, mobile robots and more - with multiple customer benefits.

In addition to WMS and WES, Softeon offers Labor and Resource Management, Assembly and Kitting, Yard Management, TMS, Parcel, 3PL Billing, Distributed Order Management (DOM), Direct Store Delivery, and Reverse Logistics.
