

At your next event, make
your ideas big and bold.

Energize

Optimize

Gamechangers: Large-scale graphics

Make the most of every surface.

Choose from a variety of sizes, materials and colors to create signage that will grab your guests' attention the minute they arrive and bring energy to your event until the moment they leave.

Window and floor graphics

- Photos, graphics and lettering
- Indoor or outdoor use
- Contour cut

Wall graphics

- Stick to a variety of surfaces
- Contour cut

Column wraps

- Custom sizes available

Essentials: Posters and banners

You can still make a big impression with these tried-and-true fundamentals. High-quality substrates and vibrant colors liven your space while motivating and informing your guests.

Meter board with display

Foam core print with easel display

If you want signage that will turn heads and capture attention, plan your event at one of 140+ hotel and convention centers with a FedEx Office on location. You'll get the capabilities of a nationwide commercial print network and the support of local experts. Your signs and other print materials—like programs, name tags and flyers—will be waiting for you when you arrive. Plus, you'll have access to pack and ship services, inbound and outbound shipping and other convenient business solutions.

To find a location where you can be bold, go to [fedex.com/conventions](https://www.fedex.com/conventions).
