## **Regulatory Alert: Argentina Increased FOB Value for Imports**

June 7, 2018

Effective June 1, 2018 as per Resolution #4259, the Argentinian government has increased the Free on Board (FOB) value limit for imports via Express services to \$3000 USD from the \$1000 USD limit which had been in effect since January 2005. The weight limit of 50 kilograms remains in effect.

The FOB value limit on exports from Argentina via the Express mode remains unchanged and continues to be \$1000 USD.

**Date of Implementation: June 1, 2018**
