

Canada to U.S. Same-Day Clearance Request Form

Must use 1 request form for each PRO number
Use only for lanes requiring same-day clearance

- Complete one Same-Day Clearance Request Form per Canada to U.S. shipment (PRO).
- All four sections are REQUIRED to avoid delays at the border crossing.
- Email this form along with shipping and clearance documents (Bill of Lading & Invoice) to FedEx Freight International Services at FISPAPS@fedex.com or directly to your customs broker no later than 3:00 p.m. local time. If paperwork is sent directly to your broker, also email this form along with clearance documents to FedEx Freight International Services at FISPAPS@fedex.com as early as possible.
- Attach this form to the Bill of Lading and other paperwork you provide to your driver.

Same-day clearance is based on importer's customs broker performing a timely customs entry. Contact FedEx Freight International Services at 1.800.351.5187 with any questions.
