

## ADDITIONAL LITHIUM BATTERY SAFETY DOCUMENT

**WARNING:** Lithium batteries that have been recalled by the manufacturer for safety reasons **MUST NOT** be shipped by air.

This package contains lithium cells or batteries in the following configuration (check applicable):

<p><b>Lithium Ion</b> – with a maximum of</p> <ul style="list-style-type: none"> <li>• 20 Watt-hours per cell; and</li> <li>• 100 Watt-hours per battery</li> </ul>	<p><b>Lithium Metal</b> – with a maximum of</p> <ul style="list-style-type: none"> <li>• 1 gram of lithium metal per cell; and</li> <li>• 2 grams of lithium per battery</li> </ul>
<ul style="list-style-type: none"> <li>• <b>Packed with equipment (ICAO/IATA UN3481, Packing Instruction 966, Section II)</b> – Cells or batteries contained in a package with associated electronic equipment</li> </ul>	<ul style="list-style-type: none"> <li>• <b>Packed with equipment (ICAO/IATA UN3091, Packing Instruction 969, Section II)</b> – Cells or batteries contained in a package with associated electronic equipment</li> </ul>
<ul style="list-style-type: none"> <li>• <b>Contained in equipment (ICAO/IATA UN3481, Packing Instruction 967, Section II)</b> – Cells or batteries installed in equipment</li> </ul>	<ul style="list-style-type: none"> <li>• <b>Contained in equipment (ICAO/IATA UN3091, Packing Instruction 970, Section II)</b> – Cells or batteries installed in equipment</li> </ul>
<p><b>Handling Information</b></p> <ul style="list-style-type: none"> <li>• This package must be handled with care. A flammability hazard exists if the package is damaged.</li> <li>• If the package is damaged in transportation, it must not be loaded until the condition of the contents can be repacked if the contents are intact and protected against short circuits.</li> <li>• For more information about the batteries contained in this package call the following telephone number (list telephone number here, including area code and any applicable country code): _____</li> </ul>	
<p><b>Terminology</b></p> <ul style="list-style-type: none"> <li>• Cell – electrochemical unit, consisting of an anode and a cathode, capable of generating electrical current</li> <li>• Battery – assembly of cells</li> <li>• Lithium ion cells/batteries – rechargeable, includes lithium polymer cells/batteries</li> <li>• Lithium metal cells/batteries – generally non-rechargeable</li> </ul>	
<p><b>Name/Address of Shipper (optional)</b></p>	<p><b>Name/Address of Consignee (optional)</b></p>
<p>I hereby declare that the contents of this consignment despite the product name or appearance are exempted from designation as dangerous goods restricted for air transportation according to the applicable international and national government regulations.</p>	<p><b>Name</b></p>
	<p><b>Export Date</b></p>
	<p><b>Signature</b></p>
